

AMERICAN CANOE ASSOCIATION QUICKSTART YOUR KAYAK

Course Overview:

This workshop is a brief introduction to paddling a kayak. Students are presented with basic information on dressing to paddle safely and potential hazards and simple rescues. A minimal paddle skill set is presented and practiced, allowing students to safely and comfortably maneuver on still water.

Course Objectives:

To make available a short program emphasizing safety, enjoyment and skill acquisition for entry level paddlers.

Course Duration: Three hours or more at Instructor's discretion

Location: Quietwater

Course Ratio: 1 Instructor to every 5 students (1:5) / 2:10 with an additional instructor or qualified assistant

Successive Courses: Intro to Kayak, Essentials of Kayak Touring, Essentials of River Kayak

The following is a summary of course content for the Quickstart Paddling program. The content and sequence of instruction should be arranged to best fit the students' needs, classroom location and time allowances.

Note: Use of sprayskirts is not part of the QuickStart Your Kayak Curriculum.

Introduction & Logistics (10 minutes)

- Welcome
- Introduction of instructors and participants
- Course overview with expectations and limitations, and time frame
